

EBAANZ-BAA Conference (5-6 March 2024, Melbourne).

ABSTRACT INFORMATION AND APPLICATION FORM

Deadline for Submissions: 15th January 2024

EBAANZ and BAA welcome abstracts for their inaugural combined conference on the 5-6 March 2024, Melbourne. Submissions are due by the 15th January 2024. Details on the process are outlined below. The event is an in-person event only. Abstracts are for presentation and/or poster style.

Themes

EBAANZ and BAA uphold bioethical standards and practice and support a harmonious and open approach to sector advancement, through the sharing of knowledge and resources. Presentations may be global in nature or offer local and national examples that may inspire delegates from around Australia and New Zealand, and the world, to further their own practice and contribution to the field. Example of acceptable themes:

Donor dignity and management	Tissue processing and allocation
Geographic risk variance	Quality management
Cellular and future therapies	Transnational/cross-border activities/tissue and service sharing/capacity development
Biobanking and research allocation	Ethical practice/conduct
Management/workforce development	Research and development
Microbiology/immunology	New technologies
Integration into other health systems	Community and/or sector engagement
Tissue specific projects/studies	Support towards the United Nation's Sustainable Development Goals and similar global initiatives
Vulnerable populations and minority groups	Case Studies

Instructions:

1. All delegates and abstract presenters are responsible for managing their own conference registration. Please visit <https://ebaanz.org/2023/09/ebaanz-baa-conference-2024/> for the event and registration details.
2. Individuals/collaboratives may submit more than one abstract.
3. The submitter of the abstract must receive the approval of all co-authors before including their names on the abstract application.
4. Research/projects involving:
 - a. Humans and human material must adhere to the relevant ethical principles for that project (e.g. Declaration of Helsinki – World Medical Association and/or The Barcelona Principles) and demonstrate ethics approval.
 - b. Animal studies must adhere to relevant national or international animal ethic guidelines.
 - c. Service, capacity development, policy and practice processes are encouraged to indicate how their abstract meets/works towards the aims of the UN Sustainable Development Goals [<https://sdgs.un.org/goals>] where applicable.
5. Abstracts and presentations are to be in English.
6. Presenters and co-authors must disclose conflicts of interest.
7. EBAANZ and BAA reserve the right to reject or decline abstracts at any stage.

Review Process

Your application will be reviewed by the EBAANZ-BAA Conference Team. A strict process is in place, for example, reviewers will not review applicants from their own organization or where they are a co-author.

Outcome notification

Applicants will be notified in late January of the outcome. Successful applicants will be directed to the Conference Team, who will provide information on the presentation/poster style and length, how and when to register for the Conference.

Submit

Please complete and return the application form (on the next page) to:
conference2024abstracts@ebaanz.org by the 15th January 2024.
